

【Chinese Government Scholarship Program】

In order to enhance the mutual understanding and friendship among people all over the world, the ministry of Education of P.R. China has established a series of scholarship programs to financially support foreign students and scholars in the universities and colleges. This also contributes to the exchange and cooperation between China and other countries in the fields of education, technology, culture and trade. The Ministry entrusts China Scholarship Council to manage the recruitment and carry out the routine operation of Chinese Government Scholarship Programs. As an accepting institution of the Scholarship Programs, Beijing International Studies University provides nearly one hundred international students with, including National Award and Higher Education Project.

Annual Review

Under Chinese Government Scholarship Program, foreign students who are qualified in the annual review will continue to enjoy the scholarship for the following academic year. The measure makes a comprehensive review on the scholarship students' performance, including academic record, learning attitude, class attendance, behavior, rewards and punishment.

- 1) Time to Review : The annual review begins in mid-April
- 2) Annual Review Materials : Students shall fill out correctly *Form for Annual Review of Chinese Government Scholarship*, and submit it with *Annual Evaluation Form for Departments* and academic transcript together to International Student Affairs Office of BISU
- 3) Criteria for the Annual Review:
The Scholarship status shall be terminated for one year in any of the following cases. The students whose scholarship status has been suspended may apply for continuing their studies as self-financed at the university. Before the end of the suspension period, they can apply to go through Annual Review of that year. If they pass the Annual Review, their scholarship status shall be resumed with the approval of China Scholarship Council and they can renew their scholarship from the following academic year.
 - a) Those who fail to achieve the credit requirements regulated by the university;
 - b) Those who fail to pass one-third of courses or more;
 - c) Those whose course selections are NOT in accordance with Postgraduate Training Programs or whose achievements are NOT qualified;
 - d) Those who have been kept in school but placed under surveillance;

The Chinese Government Scholarship status shall be terminated in any of the following cases:

- a) Those who are compelled to flunk out or expelled from the university;
- b) Those who get "FAIL" twice in the Annual Review during the study period;
- c) Those who are absent from the Annual Review of scholarship without any valid reasons;
